ON & OFF ROAD GPS NAVIGATION

## Hema Navigator

Hema Maps & VMS have launched the much anticipated ground breaking Hema Navigator, for on and off road GPS navigation.

### Hema Navigator features:

- Bright 4.3" display
- Street Navigation with voice guidance
- Hema 4WD track data
- Speed and red light cameras
- OziExplorer Moving Map Software
- Pre-loaded SD card with Hema 4WD and 1:250K topographical maps
- Add your own maps - accepts OziExplorer, ECW and Memory Map formats
- Windscreen mount, carry case and USB cable
- 4 hour internal battery, 12V and 240V chargers
- 12 month warranty

## Street Navigation

The intelligent voice guidance software uses the latest NAVTEQ streets, back roads and Hema 4WD tracks, making it easy to navigate to a street address, your accommodation or another point of interest.

## 4WD & Topo Navigation

Switch to 4WD and Topo GPS for detailed tracks and topography. Record your journey and add your own waypoints, routes and maps.

Come and visit us in-store today for a demonstration.
